**god the Only Cause and Creator**  
 In the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist, The Golden Text is from the Psalms: "The Lord reigneth, he is clothed with majesty; the Lord is clothed with strength, wherewith he hath girded himself: the world also is established, that it cannot be moved." The Lesson-Sermon includes also these verses about Jesus from Luke: "Now when he had ended all his sayings in the audience of the people, he entered into Capernaum. . . . And it came to pass the day after, that he went into a city called Nain; Now when he came nigh to the gate of the city, behold, there was a dead man carried out, the only son of his mother, and she was a widow; and much people of the city was with her. . . . And he came and touched the bier; and they that bare him stood still. And he said, Young man, I say unto thee, Arise. And he that was dead sat up, and began to speak. And he delivered him to his mother." Among the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, are the statements: "Every function of the real man is governed by the divine Mind. The human mind has no power to kill or to cure, and it has no control over God's man. The divine Mind that made man maintains his own image and likeness."

**Supervisor Would Revive Poll Tax in L. A. County**  
 Revival of the poll tax and its use as a legal requirement to vote would require a special act of the state legislature, according to an opinion prepared by County Counsel J. H. O'Connor at the request of Supervisor William A. Smith of Whittier, who had been asked for information on the subject.  
 The legislature could provide for an annual educational poll tax by statute and the county supervisors then could apply it to any group they desired, the opinion stated. It could be applied to women only, to minors only, or to men, or to all.  
 Amendment of the state Constitution would be necessary to make payment of a poll tax a prerequisite for voting in the county, O'Connor stated.

**BUDGET FIGURES**... These men will figure in passage of the Olson administration record-breaking budget as the California legislature nears adjournment: top, Assemblyman George Collins of San Francisco, who will handle the administration's tax program in the assembly; Senator Mixer, center, chairman of senate committee which slashed budget; Assemblyman Clyde Watson, bottom, a bolting Democrat who helped slash the budget.

 The sidewalks and curbs were installed as result of petitions circulated by residents of the district with the assistance of the Lomita Chamber of Commerce.

**Small Crowd Sees Tight Niteball Game**  
 Niteball fans who missed seeing last night's game between Gaffers & Sattler and U. S. Rubber—and there were plenty who did, judging from the small crowd present—missed a top-notch performance. The Gaffers won, 1 to 0. The victors scored six hits while the Rubbermen got their only clout in the eighth inning.
